Q NET

OVERVIEW

PRESENTATION

INTRODUCTION TO THE COMPANY

What is QNET?

- Founded in 1998 and operational for over 15 years.
- A global trading company specializing in direct selling and network marketing.
- Known for its diverse range of products and services in wellness, lifestyle, personal care, and more.
- Operates in over 100 countries worldwide.

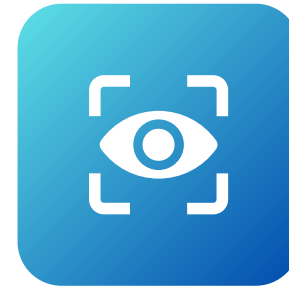

How QNET Works

- Trading Business Model: Focused on selling products through a direct selling model.
- Independent Distributors: Earn income by selling products and building networks.
- No Need for Physical Stores: Operations run entirely through e-commerce platforms.
- Over 15 Years of Market Experience: Proven track record in trading and business expansion.

VISION AND MISSION

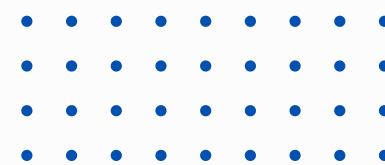

VISION STATEMENT

- Raise Yourself to Help Mankind (RYTHM): Helping individuals grow personally and financially.
- Promote Financial Freedom: Offer opportunities for people to build a sustainable income through trading and networking.
- Focus on integrity, sustainability, and community support.

MISSION STATEMENT

"At QNET, our mission is to empower individuals globally by providing innovative products and life-changing business opportunities through a transparent and ethical trading model. We strive to inspire personal growth, financial independence, and positive social impact, fostering a global community where people can raise themselves to help mankind, creating a better future for all."

EXPANSIONS

"At QNET, our mission is to empower individuals worldwide by providing high-quality products and rewarding business opportunities through ethical trading. We aim to inspire personal growth, financial independence, and positive social change, creating a global community where everyone can succeed and contribute to a better tomorrow.

FOUNDING STORY

QNET was founded in 1998 by Vijay Eswaran and Joseph Bismark in Hong Kong with a vision to create an ethical and transparent direct selling company that empowers individuals globally. The founders were passionate about providing a platform where people could build their own businesses and achieve financial independence, regardless of their backgrounds.

ACQUISITIONS

QNET, since its inception in 1998, has focused on expanding its product range and enhancing its global presence through strategic partnerships and acquisitions. While QNET operates primarily through its direct selling model, it has made several important acquisitions and partnerships to strengthen its market position.
